

areas eligible for grant or not . **Copies of competitive quotations and schedules of cost of the various items of work including VAT and fees together with phases of work if appropriate , or timetables , should be provided with proposed start dates** . These may be a deciding factor in which projects will receive funding . It is particularly important that you provide the financial background for the church especially identifying the funds which are available for the project as well as explaining reasons why other funds may not be used . If there is a `Friends` organisation which has responsibility for raising money for the upkeep of the fabric of the church , we would like to see copies of their accounts . The repairs must also be covered by faculty ( or equivalent ) permission to proceed and they must be supervised by a qualified architect or surveyor.

**See Reverse side**

**Generally , applications will be more likely to succeed if you can show support from other funders and evidence of fundraising within the community, together with evidence of regular support for Lincolnshire Churches Trust fund-raising activities, especially the Ride and Stride.**
