

Gutter problems

WORK NEVER STOPPED!

Skillington Before

Skillington After

Despite the lockdowns and shutdowns caused by Covid, the wonder of the Internet has enabled The Trust to continue working with Church Organisations and provide grant help for repairs and development projects all over the County.

Whilst the pandemic has created increase costs and made raising funds even more difficult than it was before, it is a tribute to all those involved in the following works, that we have been able to help so many over the past two years.

GRANTS 2020:

Snitterby St. Mary	Tower repairs	£2,000
Marshchapel St. Mary	Guttering and masonry	£3,000
Welton le Marsh St. Martin	Structural repairs	£2,000

and finally

St. Denis, Silk Willoughby

A WC and Servery was planned and agreed in 2011, we received an application early in 2019 and after all this time, and tremendous effort by the Parish, we were able to offer a grant of £4,500 to cover the shortfall on the project costing £75,560 (excl. VAT)

Of the above projects, 19 have been completed, the remainder are in progress and, sadly, one Church has closed.

We are currently working with many more parishes and look forward to being of help as the funding is realised.

Jeff Couzens

Hammeringham: All Saints

The tiles to the Nave were slipping and many had fallen off. The remainder were removed, new felt and battens fitted and new/re-used tiles fixed to provide a safe and waterproof covering.

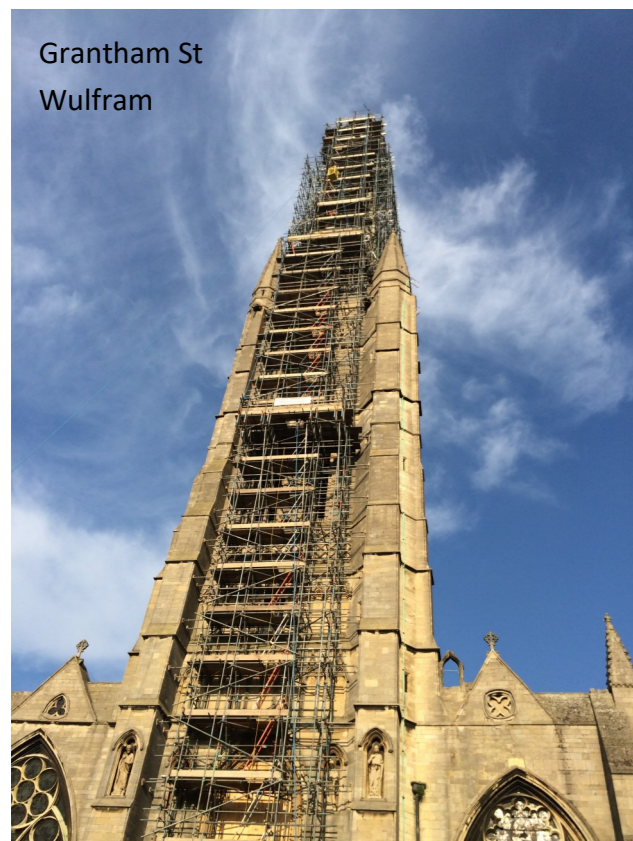

Various repairs

Midville St Peter

Grantham St Wulfram

Grantham St Wulfram

East Barkwith St Mary

Ingoldsby St Andrew

Swinderby All Saints. Assorted relatively minor fabric repairs to the wooden shingle roof on the lychgate and stonework repairs to the Porch. The work was completed in April 2012.
