Bike Ride & Stride
12 SEPTEMBER 2026

CHURCHES and CHAPELS “VISITABLE” 10am to 6pm

Unfortunately we are no longer able to confidently confirm which churches will be open on the day, whether they have toilet facilities available and what disability access provision they have. If such matters are vital to your visit please try to make contact directly with the churches in question to ask. If a church is not open when you visit, and you wish to be able to confirm to your sponsors that you did indeed visit, a date stamped digital photo probably helps. Some churches which cannot open on the day may leave some refreshments in the porch for you. Happy travelling.
